

Code of Conduct

Introduction

The laboratory is committed to providing a safe, healthy, and respectful work environment for all employees, contractors, and visitors. This Code of Conduct outlines the standards of behaviour that are expected of all laboratory staff and is intended to promote a positive and professional workplace culture.

Purpose

The purpose of this Code of Conduct is to provide guidance on the standards of behaviour that are expected of all laboratory staff, and to ensure that all staff members understand and adhere to the laboratory's expectations for behaviour.

Scope

This Code of Conduct applies to all laboratory staff.

Code of Conduct

Laboratory staff are expected to conduct themselves with integrity and ethics, and to avoid conflicts of interest, fraud, or other unethical behaviour.

Laboratory staff are expected to treat all colleagues, contractors, and visitors with respect and dignity, and to avoid discrimination, harassment, or other inappropriate behaviour.

Laboratory staff are expected to follow all health and safety policies and procedures, and to report any incidents or hazards to the appropriate authorities.

Laboratory staff are expected to maintain the confidentiality of sensitive information, and to follow all data protection and privacy policies and procedures.

Laboratory staff are expected to conduct themselves in a professional manner, and to adhere to the laboratory's policies and procedures, including those related to quality, safety, and risk management.

Laboratory staff are encouraged to continue their professional development, and to seek opportunities for training and education to improve their skills and knowledge.

Laboratory staff are expected to comply with all applicable laws and regulations, and to follow all laboratory policies and procedures.

Conclusion

This Code of Conduct provides guidance on the standards of behaviour that are expected of all laboratory staff and is intended to promote a positive and professional workplace culture. The laboratory is committed to providing a safe, healthy, and respectful work environment for all employees, contractors, and visitors, and to promoting a culture of integrity, ethics, and professional conduct.
